

Friday Schedule

TINY HOUSE ESSENTIAL SERIES

9:30am - 10:00am - Resale Realities in the Tiny House Movement – Ryan Steven

Ever found yourself pondering the resale value of tiny homes in New Zealand? If you're curious about the dynamics of the second-hand market or wondering how to enhance your tiny home's value for a future sale, we've got the perfect session for you.

10:00am - 10:30am - Getting Tiny House Ready - Rebecca McLean

Rebecca guides you through the crucial steps to prepare for tiny house living. From understanding the perfect timing and order for planning and executing your tiny house journey to budgeting beyond just the build. She will also share valuable tips on downsizing your possessions and lifestyle to fit into your new, compact tiny home.

10:30am - 11:00am - The New Zealand Tiny House Awards

Join us as we announce the winners for the 2024 Tiny House Awards!

11:00am - 12:00pm - Tiny House Transport and Site Prep - Angus Hamilton

Are you deep in the exciting process of building your tiny house but feeling a bit foggy about what comes next? Wondering about the not-so-small task of moving it? Angus will cover key things you need to know, including - budgeting blind spots, transportation tips, transport insurance essentials, site prep tips.

12:00pm - 1:00pm - Smart Design Tips for Your Tiny House - Shaye Boddington

Have you ever wondered how to make a tiny space feel not just cosy, but downright spacious? This session is perfect for anyone who's planning, building, or dreaming of owning a tiny house. Whether you're a seasoned builder or just starting out, Shaye's insights will provide valuable guidance to help you create a tiny home layout that's both beautiful and functional.

1:00pm - 2:00pm - Navigating the Legal Landscape of Tiny Living – Rebecca McLean

Ever felt like you're wandering through a labyrinth when it comes to the legalities of tiny house living? You're not alone! We understand that diving into the world of building codes and zoning laws can feel as tricky as solving a Rubik's Cube. In this session, Rebecca ditches the jargon and getting straight to the heart of what you need to know.

2:00pm - 3:00pm - Go Off-Grid with Confidence - Jacob Willis

This session is designed to guide you through the essentials of setting up self-sustaining systems for your tiny home. Jacob will help demystify the process and provide straightforward, cost-effective solutions for living off the grid.

3:00pm - 3:30pm - Financing Your Tiny Dream – Tim Oliver

Have you been dreaming about your own tiny house but feel daunted by the financial side of things? Tim will guide you through the essentials of tiny house financing. We'll cover different types of loans, the nitty-gritty of the application process, and provide practical tips to help you navigate through it all.

3:30pm - 4:00pm - Securing the Perfect Spot for Your Tiny Home - Ryan Steven

Ever wonder where to park your tiny house once it's built? If you're grappling with the question of where to place your tiny home, we've got a session just for you. This talk isn't just about finding land, it's about making informed decisions that protect you legally and financially.
